

CZECH PRESIDENCY

Priorities in research and innovation

EU2022.CZ

Hana Vlčková – Permanent Representation of the Czech Republic to the EU

CZ PRIORITIES IN THE AREA OF RESEARCH

- Synergies in the research and innovation funding in Europe
- European research infrastructure ecosystem

- A New European Innovation Agenda
- Single Basic Act (Chips Act)
- Court of Auditors Report - Measures to widen participation in Horizon 2020 were well designed but sustainable change will mostly depend on efforts by national authorities
- Proposal for a Council Recommendation on the guiding principles for knowledge valorisation

Synergies

Prague declaration

Calls for reinforced dialogue, Seal of Excellence Community of Practice for other types of synergies, removing obstacles, better timing of calls, deeper cooperation between EC and MS

- Research infrastructures
- EU Cohesion policy
- European Partnerships and EU Missions
- Innovation

European Court of Auditors Report on Synergies between Horizon 2020 and ESIF

EU2022.CZ

Research Infrastructures

Council Conclusions on Research Infrastructures

- RI as a part of the whole landscape, recognition of their role in times of crisis
- Long term sustainability of RI is crucial
- Role of RI in scientific data management and digital transition
- Technology Infrastructures as part of the infrastructures ecosystem, mapping users' needs

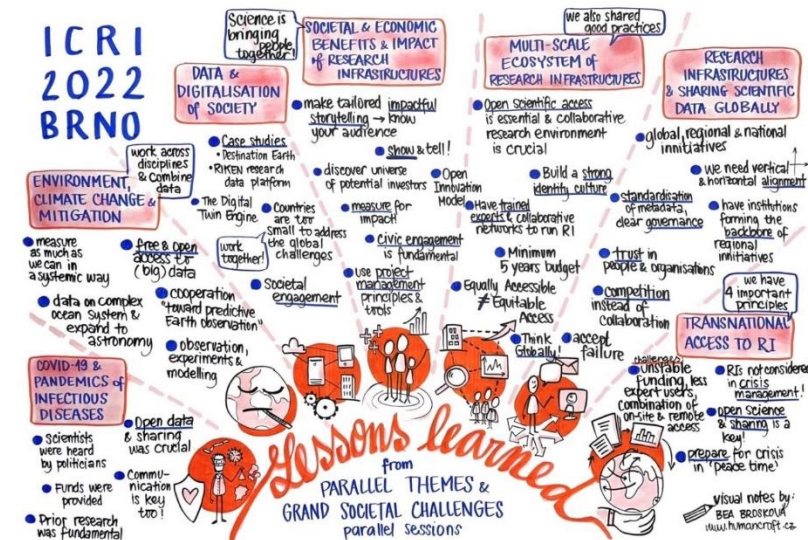

Brno Declaration

- RI at the forefront of policy making
- Key role of RI in national and regional strategies
- Importance of networking, experience sharing

EU2022.CZ
