All actions: When can applicants who have submitted a redress expect an answer?

Usually, it takes four months for the evaluation review process to be completed and the applicant to be notified. These four months are AFTER the 30-day window which applicants have to make a redress appeal.

MSCA-NET

What is MSCA-NET?

MSCA-NET is the project of the international network of MSCA National Contact Points (NCPs) financed under Horizon Europe. Its objectives are: to improve, professionalise and harmonise services of MSCA NCPs and to simplify access of potential applicants to the Horizon Europe MSCA calls.

Self-Assessment Tool

The self-assessment tool will allow you to test your MSCA knowledge in a fun and playful way.

Self-Assessment Tool

Welcome to the MSCA self-assessment tool! The self-assessment tool is meant to assess your knowledge of the MSCA by quizzing you playfully with randomly selected questions. Every time you play again, you'll be asked new questions. After answering all questions, click the «submit» button to receive your score. Corrections, links to resources, useful tips and hints will be provided once you click the submit button. This will contribute to preparing a competitive proposal. The timer will start when you click the "Next" button. Good luck and have fun!
