

EIT RawMaterials Western Balkans Activities

EIT RAWMATERIALS – A PAN-EUROPEAN NETWORK

128
Core and associate partners

€ 130+ M
Total projects funding

200
Project partners

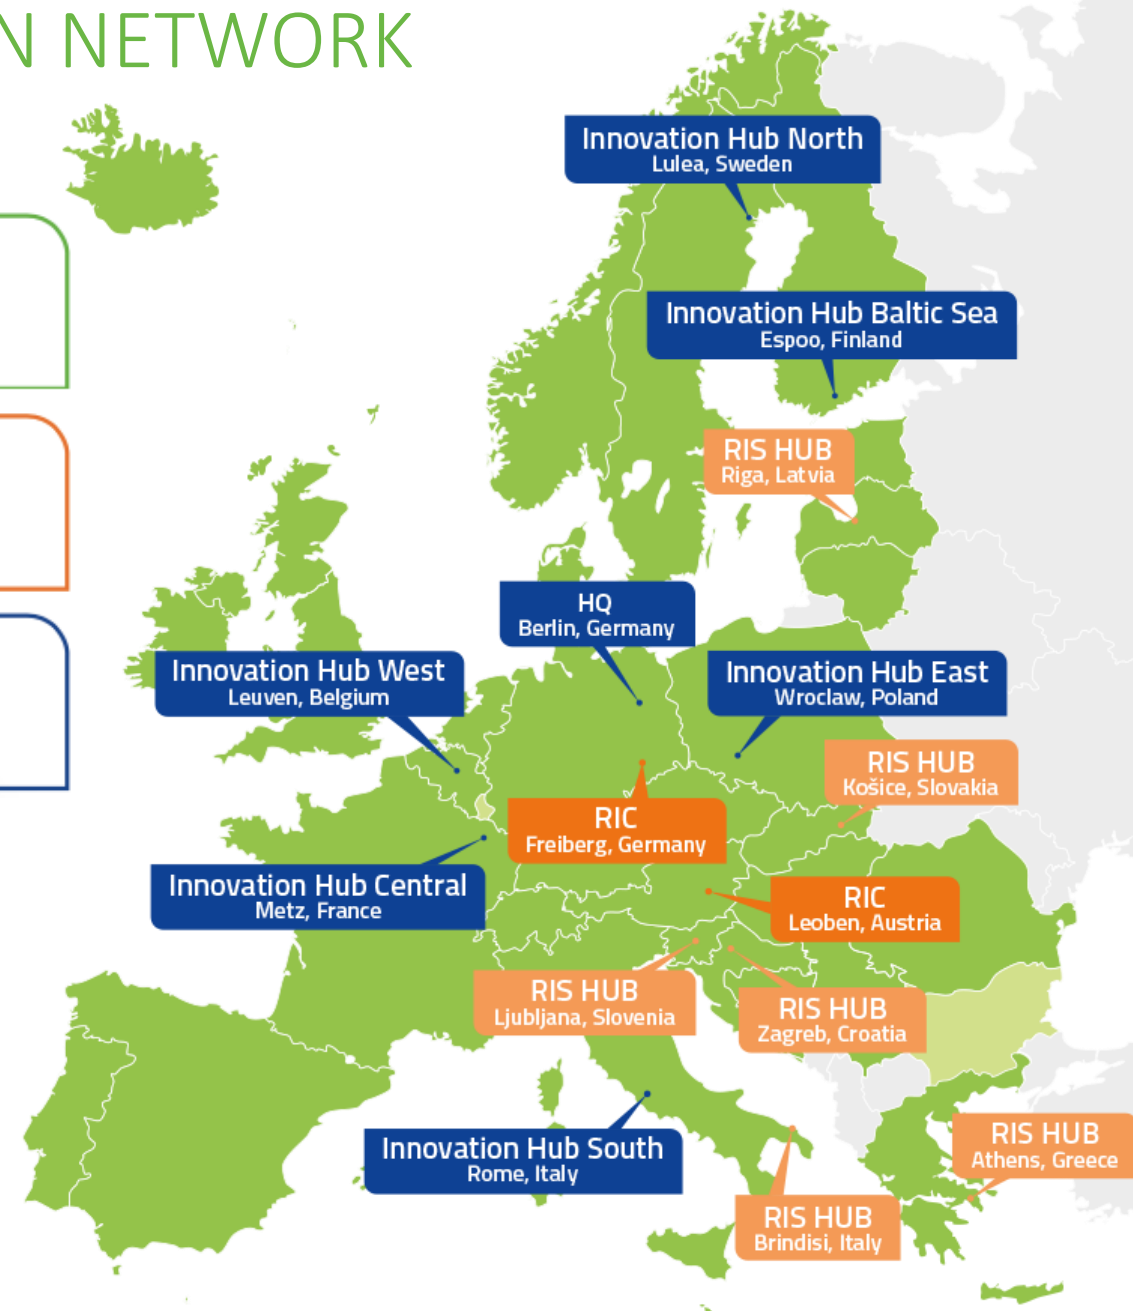

617
Number of jobs created

27+
European countries

€ 26 M
Total RIS funding

339
Number of projects 2016-2018

-  Countries covered by EIT RawMaterials
-  EU countries
-  Innovation Hub (Co-Location Center)
-  RIC (Regional Innovation Center)
-  RIS HUB (Regional Innovation Scheme)

WESTERN BALKANS – EIT RAWMATERIALS ACTIVITIES

EDUCATION

ESEE Education – includes several activities centred around entrepreneurship and business – university cooperation

University Business Cooperation Capacity Building program – using the HEInnovate self-assessment tool for Higher Education Institutions

Skills for the Future – a groundbreaking secondary education programme, fostering the next generation of entrepreneurs

BUSINESS CREATION & SUPPORT

Jumpstarter Competition – part of Cross-KIC RIS Project, entry-level program for graduates, idea holders or start-up's

Business Creation & Support – ecosystem building in ESEE Region to bring more applicants into our BC&S Programs

RIS Ecosystem Building 2025 – Build and/or enhance the innovation capacity of relevant to raw materials sector Technology Transfer Offices

INNOVATION PROJECTS

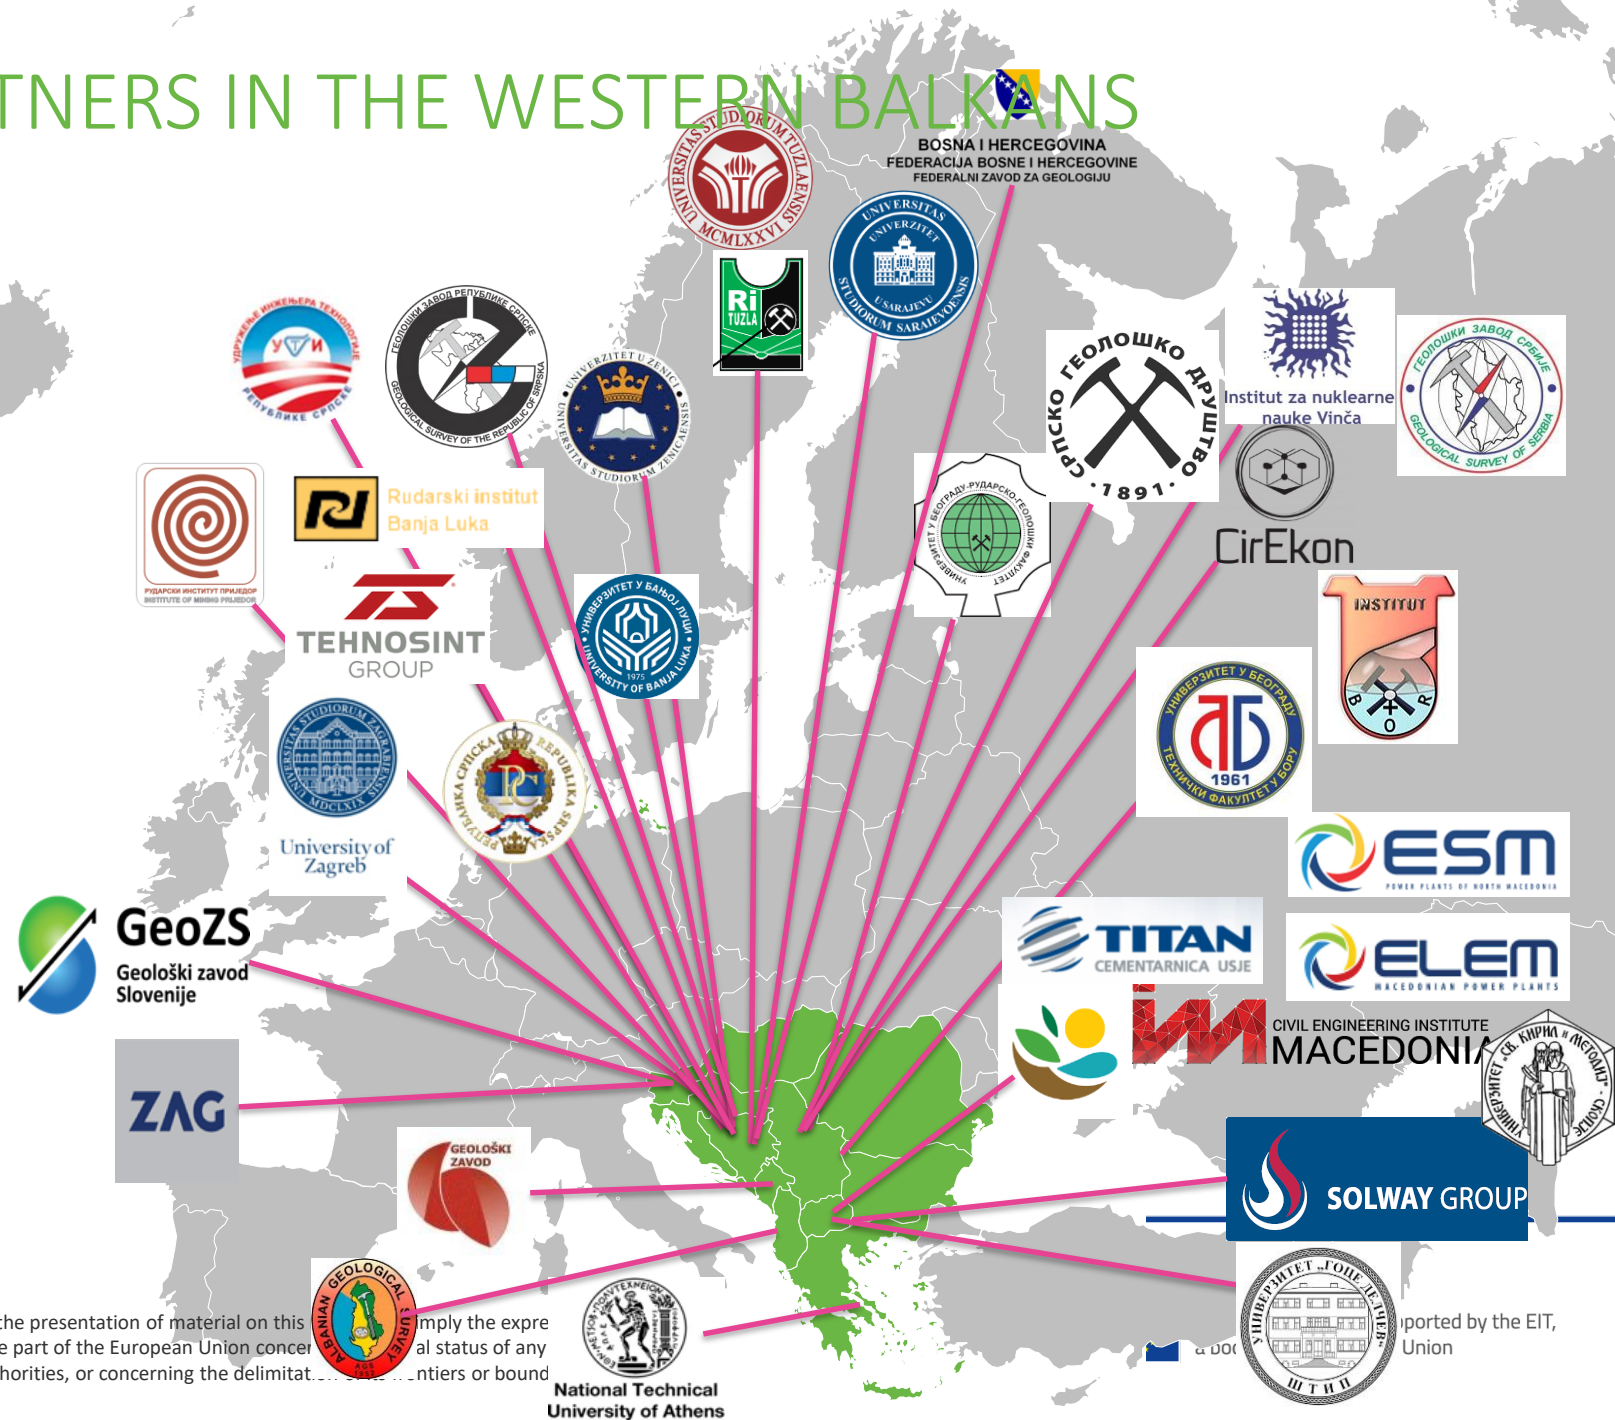

RESEERVE – Mapping of mineral resources of Albania, Bosnia and Herzegovina, Croatia, Serbia, Montenegro and North Macedonia.

MineService – A public mineral intelligence system to support North Macedonian authorities with the decision-making process and to facilitate new investments

REEBAUX – prospects of rare earth elements recovery from bauxite deposits and residues in the ESEE region
