The People Programme in FP7

People programme = Marie Curie Actions

Dedicated programme for structuring training, mobility and career development of researchers

Objectives & characteristics:

- Strengthening the human potential in R&D in Europe
- Stimulate people to enter into the profession of researcher
- Building connections with researchers from around the world
- Open to all domains of research (bottom-up approach)
- All stages of the researcher career, from PhD to experienced
- Trans-national and intersectorial (industry-academia) mobility
- Budget covers (in general) salaries of researchers, mobility costs and contributions to research costs

For more information

The screenshot shows the homepage of the Marie Curie Actions website. At the top, there is a navigation bar with the European Commission logo and the word "RESEARCH". Below this, a breadcrumb trail reads "European Commission > Research > Marie Curie Actions". The main content area is divided into several sections: "Welcome to the Marie Curie Actions" with a sub-header "The People programme under the 7th Framework Programme promotes excellence in research training, mobility and career development for researchers at all levels, both inside and outside the European Union."; "Highlights" with a sub-header "Researcher Mobility Services" and a link "New call for proposals in the FP7 Marie Curie programme published on CORDIS!"; "Policies" with a sub-header "Other useful information" and a list of links: "European policy for researchers", "Europe Researchers Newsletter", and "The European Charter of Researchers and the Code of Conduct of their Recruitment"; "Funding" with a sub-header "Marie Curie Actions" and a link "For specific information on the individual actions, calls, guides for applicants, sources of proposals, project management, as well as news and events, follow this link: more"; "Careers" with a sub-header "The European Researcher's Mobility Portal" and a link "The one stop shop for researchers looking for career opportunities and mobility assistance in Europe... more".
