

SEETRANS 2011

Transport Research Opportunities for South East Europe in the EU

12-13 April 2011, Ljubljana - Slovenia

Venue: Hotel Lev, Vošnjakova 1, 1000 Ljubljana

Agenda (Draft)

12 April 2011: Brokerage and Networking Event

Start	Plenary Session
08:30	Registration
09:30	Welcome Dr. Stane Božičnik, University of Maribor David Doerr, European Transport NCP Alliance (ETNA)
	Keynote Address Dr. Patrick Vlačič, Minister of Transport, Republic of Slovenia
	Survey of the Main Transport Challenges in South East Europe N.N., South East Europe Transport Observatory (SEETO)
	General Introduction to Transport Research in the 7th Framework Programme for Research and Technological Development (FP7) Liam Breslin, European Commission
11:00	Coffee Break
11:30	Technology Platforms and Their Research Priorities as defined in Corresponding Strategic Research Agendas N.N. European Rail Research Advisory Council (ERRAC) N.N. WATERBORNE N.N. European Intermodal Research Advisory Council (EIRAC) N.N. European Road Transport Research Advisory Council (ERTRAC)
	Forum of European National Highway Research Laboratories (FEHRL) N.N., Slovenian National Building and Civil Engineering Institute (ZAG)
	Short Clarification of the Brokerage Session David Doerr, European Transport NCP Alliance (ETNA)

13:00	Lunch
14:00	<p>Presentation of Profiles of Organisations Seeking Partnerships</p> <p>Short oral presentations by representatives of researching institutes, organisations and enterprises. Presentations will provide a brief overview of competencies, experience and areas of interest in the coming FP7 call.</p> <p>Project ideas and profiles of researching organisations in <i>written form</i> will be displayed during the course of the entire event on pin boards set up in the foyer.</p>
15:30	Coffee Break
16:15	Continuation of Brokerage Presentations
	Résumé of the Day's Activities and Explanation of Further Steps and Support
18:00	End of Meeting
19:30	Joint Dinner

13 April 2011: Thematic Workshops – Identifying of Research Topics and Ideas

09:00	<p>Welcome Address</p> <p>N.N. Slovenian Ministry of Science, Higher Education and Technology</p>
	<p>Longer-range Perspectives for Cross-border Cooperation in Transport Research – Structures for Support</p> <p>WBC-Inco.net Dr. Ulrike Kunze International Bureau of the Federal Ministry of Education and Research at the German Aerospace Centre (DLR)</p> <p>TransSLO+ Dr. Stane Božičnik University of Maribor</p>
	<p>Brief Overview of Expected Focus Areas for Future Calls for Theme Transport (FP7) and Forward Look to FP8</p> <p>N.N. European Transport NCP Alliance (ETNA)</p>
	Introduction to the Parallel Workshops

10:00	Coffee Break
10:30	<p>Parallel Workshops - Development of Sound Ideas and Application Process *</p> <ul style="list-style-type: none"> • Road Research • Rail research • Waterborne Research • Aeronautics Research • Intermodal Transport Research and Logistics
13:00	<p>Résumé of SEETRANS 2011 and Look to the Future</p> <p>Dr. Fedor Cerne, Slovenian Ministry of Transport</p>
13:30	Lunch

* Central objectives of these workshops – task of workshop chairman:

- Identification of Topics of Interest for Future Calls (e.g. final rounds of calls in FP7 and relevant calls in FP8)
- Development of Strategies for Securing Funding for Projects (possibilities of exercising influence on the development of the work programme in the framework programme, consideration of other sources of funding) Here, appropriate experts with key knowledge on the various sources of funding for transport research will moderate the workshops.
