## Invitation letter

*(Call for papers)*

Dear colleagues,

We gladly invite you and your employees to contribute in FORESTRY REVIEW XLIII of the Faculty of Forestry in Skopje, University Ss. Cyril and Methodius in Skopje (UKiM FoF in Skopje).

During our past 42 volumes, we had an excellent and fruitful cooperation, especially with the faculties of forestry from the Balkan and Southeastern Europe countries. We hope this volume will be particularly interesting, due to UN International Year of Forests 2011.

Starting with this volume and forth, the UKiM FoF in Skopje FORESTRY REVIEW is an international forestry journal review. We are happy to announce that this year there is no fee needed to participate with your scientific paper.

It will be a great honour for us and an excellent opportunity for you to share your newest scientific work on the field of forestry and forestry related issues in our international scientific review.

We are looking forward to receive and survey your papers. For any information needed, please feel free to contact Bojan Simovski MSc via e-mail: [bsimovski@sf.ukim.edu.mk](mailto:bsimovski@sf.ukim.edu.mk), [bokaco@gmail.com](mailto:bokaco@gmail.com) or call ++ 389 70 595 321.

On behalf of the Editorial Board,
